Tardy Policy

Students must report to the office for a late pass when arriving to school after 8:00 a.m. This late pass ensures the student's name will be removed from the daily absentee report.

Attendance Policy

Regular attendance for each child is necessary for maximum growth and essential for school success. Therefore, parents and the school together share the responsibility for regular attendance. In additional, regular school attendance is required by state law. State law mandates that all student absences are recorded.
