**SY 2018-2019**  
**LOCAL ONLY – SCHOOL FIELD TRIP**  
**PARENTAL PERMISSION FOR PUPIL PARTICIPATION**

This is a notice to the parent/guardian that a school-sponsored activity is planned for your child. The parent/guardianship is requested to sign and return before the student takes part in the activity. A student may be denied participation because of misconduct, excessive absence or critical academic standing.

**PARENT PERMISSION**

I give permission for \_\_\_\_\_ to go on a local school sponsored activity *through-out* the school year unless permission is revoked in writing. The sponsor will send home a travel agenda if needed (*time leaving, returning, dates*) before the trip.

Transportation will be provided through the school district if it requires a bus.

In case of illness or injury while on the trip, the sponsor will seek necessary medical aid and the parents will be notified promptly of the need.
